Miscellaneous Policies:

Smoking

Greenbank Parish Church does not allow smoking anywhere on the premises of the Church and Halls.

It follows, therefore, that no smoking is allowed by staff, parents or carers / helpers within the Pre School or in any of the waiting areas within the church buildings.

In addition no smoking is permitted by staff, parents or carers / helpers within the garden / outdoor play area used by the Pre School.

Whistle blowing

Although the Pre School does not have a formal 'Whistleblowing' policy it would expect employees to uphold a high standard of conduct and ethics in everything that they do in respect of their work within the Pre School.

Should any member of staff have a reasonable belief, held in good faith, that another member of staff is guilty of malpractice, they should bring their concerns to the attention of any member of the management committee as soon as possible. Employees who properly disclose malpractice to the management committee will be assured of protection against victimisation.

Although the 'Whistle blowing' policy of the City of Edinburgh Council (attached) is not strictly applicable to the Pre School given the huge differences in the nature and size of the two organisations, it may usefully be referred to when seeking to identify what might be considered to be malpractice.

Access to Pupil Records

While recognising the differences of scale and complexity between the City of Edinburgh Council Education authority and the Pre School, Greenbank Pre School has adopted for all practical purposes the requirements to provide access to pupil records by parents as laid out in the attached Head Teachers Guidelines.

All staff and committee members will have a working knowledge of this policy.
