Greenbank Pre School staff aim to be good role models to help all our children to be good stewards of our environment. Sharing the Golden Rules in a regular and collaborative fashion is an important part of our routine and in particular the rule, "We take care of our things" underpins life inside and out of nursery. In more detail this means;

- We put our rubbish in the bin.
- We have five bins in our nursery
- We have one bin in our garden.
- We empty our indoor bins twice a day.
- We recycle paper, cardboard, plastic and food waste

All staff and committee members will have a working knowledge of this policy.
