

Seed Planting

Design Your Own Seed Packet

The image shows a template for a seed packet. It is a light green shape with a rounded top and bottom. The left side is a semi-circle with a thick black outline. The right side is a rectangle with a thick black outline. The top and bottom edges are also rounded. The text 'glue here' is written vertically on the left side and horizontally at the bottom. The main area is divided into two sections. The left section is titled 'Growing Instructions' and contains four boxes for 'sun:', 'water:', 'colour:', and 'where:'. Each box has a placeholder text 'stick a [category] picture here'. The right section is a large rectangle with a placeholder text 'stick cover picture here'. At the bottom right of this section is a yellow starburst with the letter 'P' inside. At the bottom center of the entire template is the Twinkl logo and website address.

Growing Instructions

sun: stick a sunlight picture here

water: stick a watering picture here

colour: stick a colour picture here

where: stick a place picture here
